Old Business

The board interviewed coaches. The following football coaches were selected for the 2018 season (we did not select JV Mite yet to see what numbers we have and whether we will have one or two teams).

Midget Varsity: Keith Mock

Midget JV: Aaron Garner

Mite Varsity: Mike Brisan

Mite JV1:

Mite JV2:

Mighty Mite Varsity: Steve Bryan

Mighty Mite JV: Tim Overley

Flag: Mike Alexis – Coordinator – as of now there are 3 teams at the Flag level

This year the Field Coordinator will be Steve Gebhart. Troy Moyer will assist him in getting up to speed on all that needs to be accomplished.

Next week's Football Camp will separate Flag and Mighty Mite focused on fundamentals. The Mite and Midget teams will have individual and group focus, and teach some plays associated with what we want them to learn. Defensive practice will also focus on both individual and team to focus on pursuit angles and gaps. Jeff Lange has that planned out. During 2 of those nights, there will be instruction with Broncos coaches, walking through drills and practice agendas. Since this will be a fundamental camp, the mini-camp in August will be the evaluations.

Jeff Lange and Aaron put together a base playbook which will be provided to the coaches. This will help the boys learn some of the information to prepare them for Jr. High and High School. There are some defensive formations and gaps in there as well.

All Saturday home games will be in the evening.

Aaron meets with Bill Styles, the AD at Alvernia on Friday to map out responsibilities. They will walk through field maintenance and responsibilities. He will keep the organization updated. Alvernia will begin practice in August.

League Updates

Cocalico will have a group for concussion training on Aug. 6, 2018 at 6:00 pm at Denver Fire Hall. Someone from Penn State Health will provide the training just for football related concussions. The training is free and should take about an hour to an hour and a half. Pat Steuer attended last year and said it was very relevant.

Knee pads and pants were ordered. Also some half round pads will be ordered. Helmets will need to be recertified soon so we are keeping the ordering light.

Cheer Update – New uniforms have come in and a reminder email was sent to each family to indicate that we have an online cheer store for them to purchase additional uniform items online.

Cheer Camp flyers have been sent to all those registered on behalf of Stephanie Greaves, the new high school cheer coach. This is a high school cheer fundraiser and the cost is \$60. Camp will be held in the High School Stadium on August 6, 7, 8, and 9 from 5:30 to 7:30 pm.

New Business

Sherri Wunderlich brought up the possibility of having a “moving up ceremony” in the Stadium to coordinate with the same date that the youth girls cheer with the high school varsity. Aaron will discuss further with Pat Tully.

The Homecoming Parade will be held the morning of September 29, 2018 beginning at 9:30am. The Broncos will have a table and can sell spiritwear. We will need someone to “staff” the table. There will be other community groups in attendance. Football Teams and Cheer Squads are all invited to walk in the parade but must be chaperoned by a coach or team parent. The coach or team parent should coordinate where their team will meet and what time. Kids will wear their uniforms and walk in the parade. No motorized vehicles, walking only. Music is allowed and a banner is allowed. Do we have a banner or should we get one made?

Cheerleaders would like to consider ordering a banner with Velcro that the players can run through, this could also be held in the parade. Would be approximately \$100 or less. Sherri will get one ordered.

Aaron is looking into a Football Pool online as a fundraiser.

We would like to talk to the BICYL League about Berks Brawl since Wilson makes a lot of money for that each year. We would like to propose rotating the location or at least consider a revenue split between the organizations.

Equipment Handouts will be Saturday, July 28th and Sunday, August 5th. An email will be sent to families to indicate what time they should arrive.

Motion to close the meeting by Steve Bryan.
