

**7-25-17 Minutes**

**Location: Trooper Thornes**

**Time: 8:00 pm**

A motion was made by Chad Shrawder to open the meeting. Kate Murray reminded the group that minutes are now posted on the website and reminder sent via email for review prior to the meetings instead of being read aloud at each meeting. Instead we will provide opportunity for any corrections or additions at opening and then move to accept. A motion to accept the minutes was made by Jason Leinweber. Jeff Sczepakowski provided the treasurer's report so far as of today we have 144 football players and 53 cheerleaders registered. A motion to accept the treasurer's report was made by Ryan Reis.

### **Old Business**

Thank you notes from scholarships came in from the recipients. A few games were scheduled for after 4:30 on Saturday, all games have been submitted for approval from the School Board and the final schedule will be distributed as soon as it is finalized.

Kenhorst Buildings: 18 foot shed was recommended to have a big room with a U for equipment, then bigger equipment could be put in the middle. Estimated time is 2 weeks, they cannot do any construction until mid to end of August. Budget is approximately \$45,000 to \$50,000 for the project (this was voted upon at a previous meeting). Contract negotiations are still underway however everything is very close to being finalized. Kenhorst wanted \$2500 donation every year for the next 10 years but we changed the contract to reflect \$1,000. We will have a key fob (each division) so that the bathrooms can be open to the public. Our commitment was to help with the bathroom renovation. We give \$750 per year now so \$1,000 is not that much more. Their improvement scheme is over \$1m/m in renovations for the next 10 years. They would like to put more parking there, etc. and have always been cooperative and wanted the Broncos to be a partner in the improvement project since the beginning of the negotiations.

### **Equipment Updates:**

All equipment is washed and ready for Saturday. Thank you to Cindy Dewald for washing all the uniforms.

Helmets have been sent out and will be back by the start of practice.

Trucks are in for inspection.

Volunteers, please be careful with the uniforms and don't throw them into bins.

Grove Dental is giving away free mouthguards to those who are interested.

After handouts, those who need changes, Pat and Mike will be at the truck at 4:30pm for the first week. Any exchanges must be done by 5:30 due to practice starting.
