CHEERLEADING

2018

CHEER HANDBOOK

Dear Cheerleaders and Parents:

Welcome to the 2018 Broncos' Cheer Season! Whether you're a returning cheerleader or a first year participant, we would like to extend our greetings to you. We hope this season proves to be a fun and rewarding experience!

Participation in the Broncos Cheer program is a commitment to your children, your families, and your teammates. We strive to ensure that everyone involved has a rewarding experience. The Broncos' cheer program places emphasis on building friendships, integrity, leadership skills and respect while mastering the cheer, jumps, stunts and the sport of cheerleading. You have our commitment to teach the sport of cheer in a way that is positive and effective while preparing your child for junior high and high school level squads. We maintain high levels of expectations for all persons involved with the Broncos program in order to be successful as an organization, as squads, and as individual participants.

The Parent/Cheerleader Handbook was developed to provide parents with a clear understanding of the Broncos Cheerleading standards of conduct and level of expectations for both you and your cheerleader(s), as well as the Mifflin Broncos Code of Ethics and Code of Conduct. You will be required to sign the acceptance form (attached at the end of this handbook), which confirms your understanding and acknowledgement of the guidelines set forth herein.

Parents are as important to the success of the program as the cheerleaders. For a program to be successful, Team Moms, Coaches and Parents must work together, collaboratively. Throughout the season, you may have questions. Your team mom and coach will be your primary source of information for your squad. Please feel free to contact our administrators in the event that you have a question or concern that is not able to be addressed by your Team Mom or Coach. Communication and cooperation are the key to a successful experience.

Sincerely,

Kate Murray & Caitlin Pollock
2018 Mifflin Broncos Athletic Association Cheer Program Coordinators

Cheerleader Guidelines and Expectations

This Cheer Guide has been set forth to ensure a fun, safe and equitable environment for your child at all times. The Bronco's program is committed to careful observation and monitoring of safety measures, including proper stretching and allowing stunting and tumbling only when a certified coach is present. The primary goal of the program is to elicit enthusiasm and interest in the sport of cheerleading while encouraging confidence and ability in the girls involved in the program. We encourage acceptance and strive for a welcoming spirit to all of the girls as well as to their families.

Parent Expectations

- It is the parent or guardian's responsibility to ensure that your participant(s) attends all practices, games, and competitions on time. Parents or guardians shall ensure that participants are present for the entire game or practice. Remember that being on time indicates that your participant(s) is inside the venue, ready to participate. Parents must aim to have their cheerleader arrive 5 minutes early and be ready to start practice on time. Parents must return for pick up at least 5 minutes before practice completion for announcements or in case of early dismissal.

- If your participant experiences difficulty with a routine or cheer, contact your team coach. The team coach will get your child the help needed for them to be successful.
- Parents should not force any child to participate in sports.
- Parents will refrain from coaching their child or other cheerleaders during practice, games, or competitions unless they are one of the official coaches of the team.

DISCIPLINARY ACTION

It is the policy of the Broncos that disciplinary action will be invoked as a last resort and that every attempt will be made to avoid situations likely to lead to such action through positive encouragement to correct any type of negative behavior.

- For the first incident, head coach or an assistant coach will talk with the individual cheerleader about his or her misbehavior.
- If the misbehavior continues, the head coach will call or speak to the parent and explain the misbehavior of the cheerleader, and the consequences of continued misbehavior.
- If misbehavior continues and a second conversation is required to the parent, the MBAA Code of Conduct Protocol will be followed:

First Violation:	Suspension from one game (including practices prior to such game).
Second Violation:	Suspension from a minimum of four games (including practices prior to such games), maximum length to be determined by the Executive Board in its sole discretion.
Third Violation:	Suspended for at least the remainder of the season; potential expulsion from all MBAAA events, with reinstatement for future seasons permitted upon petition and approval of the Executive Board in its sole discretion.

The offending parent or legal guardian shall be given the right to appear in person before the Executive Board to explain why the above penalties or additional penalties should not be assessed and/or to request reinstatement following the end of the suspension. The Executive Board retains the ultimate discretion to impose any sanctions for violation of the Code of Ethics/Code of Conduct, and/or to impose additional or alternative behavioral requirements prior to reinstating participation privileges. Any suspension, for part or all of the remainder of any season DOES NOT constitute grounds for a refund of any registration fees or for the cancellation of any remaining payments due under the payment schedule, if any.

Parents and cheerleaders should be aware that serious misbehavior will be documented and may affect participation in future Broncos cheer seasons. In certain cases, misbehavior that the Executive Board considers extreme and/or which threatens the well being of others, including participants, coaches, or other volunteers may result in immediate suspension and/or permanent expulsion from the Broncos cheer program.

PRACTICES

Practices are held on Tuesdays and Thursdays. Competition practice varies. Practices are held outdoors at the high school unless otherwise specified.

The goal of practice is to have the cheerleaders learn:

Cheers (longer, does not repeat words)

Chants (repeats a phrase multiple times)

Stunts – Thigh stands, preps, extensions, pyramids, and partner stunts (appropriate for age and skill level)

The participants will also work on jumps, tumbling, and sideline spirit. For competition squad, the focus of instruction is on preparing the team for performances.

TUMBLING

Participants interested in working on individual tumbling skills are strongly encouraged to take tumbling classes. The Broncos coaches are not tumbling instructors and do not teach or spot tumbling. If your cheerleader does not take tumbling classes outside of cheer, we strongly DISCOURAGE your cheerleader from attempting tumbling at cheerleading practice.

ATTENDANCE

Every practice is important - a team requires every member's participation. To prepare for competition, mandatory practices for competing squads will be scheduled through the end of the season. As competition nears there may be a need to increase practice more. This includes extra practices that may be added in the weeks prior to competition.

Attendance is very important to the entire team's performance. Formations and stunts simply do not work when one or more team members are absent. In addition, habitual tardiness limits the amount of time that a squad has to master these skills.

Parents are encouraged to attend practices so that they may view the progress of their child and/or the squad. If you are dropping off your child and picking them up after practice, please be prompt and plan to arrive at least 5 minutes before practice is scheduled to end. If practice ends at 7:00, please arrive at 6:55. Please keep in mind that your coaches are volunteers of the organization. Consistent tardiness in picking up your child from practice will be referred to the executive board for disciplinary action and could result in the dismissal of your child from the squad.

Parental attendance at practices is a great opportunity for parents to bond with other parents on the squad and/or assist the coaches with a variety of tasks, including the making of signs, noise makers, etc. However, it is extremely important that parental attendance is not a distraction for the participants; additionally, it is important that sibling

attendance at practice is not a distraction for the cheerleaders; in the event that participants are unable to focus during practice, parents may be asked to sit farther away from the practice location or the coach may “close” the practice to observers.

SQUAD ASSIGNMENT

Cheer squad assignments and determination of team placements are made by the Cheer Program Coordinator(s) based on both age and ability. During mini-camp, and throughout the season, participants are evaluated according to a standard set of regulations set forth to ensure the safety of all participants.

GAME DAY GUIDELINES

- All Cheer Squads are to arrive at the time designated by their coach. This time is used to warm-up, practice and take attendance. Sometimes the games begin early and/or run late based on how the day permits. If you do not arrive at your designated time, before the start of the game, your cheerleader may not be able to participate in the halftime routine.
- If a cheerleader is deemed to be unfit to perform by the coach, whether due to injury, inadequate knowledge of cheers or dance, or any other issue, the cheerleader may be asked to sit out at the discretion of the coach.
- All participants must remain on the sidelines for the entire game. No sitting in the stands or grass area during your assigned game.
- Each child must bring their own water bottle to keep in front of the cheer area. For games and practices on the Turf Fields, only water is permitted. Sports drinks or any beverage other than water is not permitted by school policy. All participants must assist in the cleanup effort after their games. Please Dispose of your trash properly.
- During games, cheerleaders are to stay in formation and in cheer-ready position at all times. Games are not a time to socialize with teammates. Cheerleaders must always be focused on the game and the coach in order to be prepared to lead the fans to cheer for the players. Participants may not run around, stunt, cartwheel, etc. while in line. Parents please re-enforce this rule with your child.
- Cheerleaders must ask permission of the coach to leave the cheer area, if necessary. This includes going to a parent or going to the bathroom.
- Cheerleaders will not be allowed to leave the cheer area during water breaks.

Inclement Weather

If the weather is questionable, the rule of thumb is to arrive at your scheduled time, unless you hear otherwise from your coach. Due to excessive heat, rain or cold, practices or games may be canceled. You will be notified by email and via the SI PlayApp if a practice or game has been cancelled. If practice is canceled, a make-up practice session may be held, in addition to regular practice, on a non-scheduled practice day.

Uniform and Attire

Please be sure the full uniform is neat and clean, and hair is pulled back at all times. Any specific details about the uniform, such as whether the white sleeves should be worn will be communicated by your coach prior to the game.

- No jewelry including necklaces, earrings, belly rings, ankle bracelets, or rings are permitted during practices or games.

COACHING STAFF INFORMATION

Coaches are assigned to a squad based on their qualifications and experience specific to the level of the team. If any individual or parent has interest in volunteering to coach for the MBAA, you may indicate your interest by completing our official Coaching Application Form. In the event that multiple coaches have interest in coaching the same team, a formal interview process will be conducted by the Cheer Coordinator(s) to select a candidate based on their qualifications and experience.

Coaches are required to attend all meetings, training and certification programs necessary to ensure the safety of our participants prior to the season. Specific information will be communicated to coaches in advance of the season.

Coaches are required to sign the Code of Ethics/Code of Conduct and abide by all regulations set forth herein. Disciplinary actions outlined herein for participants and parents also apply to the coaching staff.

Coaches are required to have all applicable school district clearances on file, including but not limited to: Child Abuse History Clearance, Federal Criminal History Background Check, Fingerprinting, and Coaches Concussion Certification.

FEEDBACK

We always encourage your feedback to help improve our program, but please be respectful of all volunteers. Remember that every person is a non-paid volunteer helping for the sake of the kids in the program. Before criticizing, ask if you can help. If you see something that isn't going well, let us know, but please offer your help to improve it. The best way to resolve a concern is to address it early, calmly, privately and directly with the volunteer involved. (Exception: Please do not approach any Junior Coaches directly with concerns. Instead, discuss your concerns with the team's head coach or a board member.) Since our volunteer coaches and board members all have other obligations, including full-time jobs, families and other commitments, please allow adequate time for the situation to be researched and addressed. While it is important that concerns be addressed before they become major issues, it may be best to wait until you are able to discuss your concern calmly. It is also important that the discussion does not take place in front of the children. Speak up if you are unhappy, or are unfamiliar with things going on around you, but please be courteous of the volunteers you see who are devoting a great deal of their time to your child's program. If you encounter a situation or issue that requires the Executive Board to be involved, please bring it our attention immediately by contacting a board member.

The Broncos cheer program is possible because of the dedication and commitment of you, our parents! We would like to take this opportunity to thank all parents who have or will volunteer their time and talents this upcoming season.
